House and Senate District Leadership

Three Primary Functions

Susan Rogers
DPOD Rules Chair

- Establish and hold a vacancy committee meeting as needed. In case of a vacancy in their respective district, the House District or Senate District Leadership is in charge of calling for and running a meeting to elect a replacement for the vacant State House or State Senate seat.

- Organize and run the House District or Senate District Assembly at the County Assembly in even-numbered years.
  - This meeting is critical for candidates going through the Assembly process in Denver because those that receive enough votes get on the primary ballot, or are eligible to gather petition signatures to appear on the primary ballot.

- The officers also run the House District or Senate District meeting at the Biennial ReOrganization meeting in Feb of odd-numbered years.
