EDWARD M. KENNEDY DINNER

OUR KEYNOTE SPEAKER

THE HONORABLE
**AMY
KLOBUCHAR**

UNITED STATES SENATOR
FOR MINNESOTA

U.S. Senator Amy Klobuchar is the first woman elected to represent the State of Minnesota in the United States Senate. Throughout her public service, Senator Klobuchar has always embraced the values she learned growing up in Minnesota. Her grandfather worked 1500 feet underground in the iron ore mines of Northern Minnesota. Her father, Jim, was a newspaperman, and her mother, Rose, was an elementary school teacher who continued teaching until she was 70.

She was elected to the U.S. Senate in 2006 to succeed former Senator and now-Minnesota Governor Mark Dayton. Since arriving in the Senate in 2007, Senator Klobuchar has worked with Democrats and Republicans to get things done. She led the effort to pass landmark pieces of legislation to end human trafficking and to combat the opioid epidemic. She fought to pass the most significant consumer product safety legislation in a generation, keeping foreign toxic products off our shores and out of our stores, and pushed the cell phone companies to enact more consumer-friendly policies. Additionally, her efforts to protect consumers have resulted in the largest furniture recall in American history as well as millions of defective airbags being taken off the road. Senator Klobuchar serves as Ranking Member of the Senate Rules Committee.

Senator Klobuchar is an alumn of Yale University (BA) and the University of Chicago (JD). She is married to John Bessler with whom they have one daughter.
